## LOCAL NEWS.

SENT ON TO COURT.—James Lee, colored, committed to jail in this city last Tuesday night for stabbing Mr. Joo. D. Harrison, was examined yesterday afternoon before Justice Brown. The prisoner was defended by Col. C. P. Stuart. Numerous witnesses were examined, the testimony of whom was to the effect that while a party did go to the house of Schlechten to give a character to his daughter and Mr. Wm. Becker, who were married that night, Mr. Harrison was not one of them, and that while a number of people were crowding each other in coming out of the house, Mr. H. received a blow, and supposing Lee had struck him, raised his fist to strike back, when he was stabbed by Lee. Mr. Morris Ullman gave the required security, and several witnesses—Rudolph Massey, Jr., Wm. Galloway, M. J. Waterman, Cornelius Phillips, and others—were recognized for their appearance at the trial, by the court.

COAL TRADE.—The receipts of Cumberland coal at this port by canal during the week ending to day, were as follows: By the American Coal Co., 3,837 tons; by J. P. Agnew, 3,300 tons; by Hampshire and Baltimore Coal Co., 2,517. The shipments during the same period were: By American Coal Company, 4,218 tons; by Hampshire and Baltimore Coal Co., 2,119 tons; and by J. P. Agnew, 1,400 tons. Notwithstanding the break, which occasioned the prolonged suspension of navigation during the busiest part of the season, and the unusual frequency of minor breaks that have occurred since the opening of navigation last spring, a very heavy coal business has been done on the canal this year, the receipts of coal being, it is estimated, fully one-third larger than those of the previous season, and that was considered a very good year.

THE ACCIDENT TO THE GEORGEANNA.—An account of the late accident to the steamer Georgeranna was published in the marine news of Thursday's Gazette. She broke her rudder near Kinsale wharf, about 8 o'clock on Tuesday morning. A heavy gale was blowing. The passengers were taken to Baltimore on the steamer Columbia. The rudder was soon repaired, and she arrived at her wharf in Baltimore late last Thursday evening. The steamer Vanderbilt will supply her place until she has been thoroughly repaired.

THROTTING MATCH.—The race over the Piney Branch Course, near Washington, yesterday, between Mr. John T. Price's brown mare Belle of Gettysburg, and Mr. W. B. Ellis's sorrel horse Honest John, was witnessed by quite a large number of persons, many of whom were from this city. The race was mile heats, best three in five to harness, and was won by the mare, the sorrel only winning the second heat. The contest was an interesting one, each heat being close, and the time was as follows: 2:47, 2:45, 2:46, 2:47. One of the judges was Mr. W. T. Herriek, of this city.

POLICE REPORT.—The following cases have been reported at police headquarters since yesterday's issue of the Gazette: Richard Robinson, for stealing corn from the lot of Rudolph Thompson, colored, was discharged upon the payment of the value of his plunder; and striking Ann Willis both colored, was fined and discharged; a retail liquor dealer, for selling spirits to an ordinary keeper, was fined and discharged; Frederick Gray, colored, for disorderly conduct, was dismissed as the charge was not sustained.

COLORFUL OLD FELLOWS.—In the colored Old Fellows' procession in Washington yesterday the following lodges appeared in the Virginia No. 818, Bellhaven No. 1503, Lancaster No. 1570, and G. W. Parker No. 1542. They were led by Alfred Butler, P. N. G., with James Williams and James Jackson as aids. This division was accompanied by the South Washington brass band.

RELIEF FOR THE SHREVEPORT AND MEMPHIS SUFFERERS.—In response to the suggestion in yesterday's Gazette, we have received from other fraternal contributions in money, to be applied to the funds for the relief of the sufferers by the yellow fever in Shreveport and Memphis. All contributions left or sent to this office will be forwarded through one of our banking houses, free of expense, to the afflicted cities, for the benefit of these in need.

BROTHERHOOD OF THE UNION.—At the annual meeting of the grand circle of the B. U. H. F. C. of A. held in Muir's building last Wednesday night the following officers were elected and installed for the ensuing year: G. C. W., R. H. Wade; G. C. J., R. F. Penn; G. C. F., H. Latham; G. T., R. S. Lucas; G. S. K., A. J. Marshall; G. M., J. H. Kleindienst; G. W. A., W. Harrison; G. W. N., J. L. Boyer; G. R. P., W. H. Glover; G. H., R. H. Warder.

Y. M. C. A.—The cottage prayer meeting Committee of this Society, held their second meeting in north St. Asaph street Sunday School room last night, under more favorable auspices. A very full Committee were present, and the room was filled with an attentive congregation. The Committee would be glad to have the presence and prayers of all the members of the Association.

AN IMPORTANT MATTER.—We would call the attention of registrars and others to the importance of attending to transfers, where they are necessary. It should be borne in mind that in cities and towns of over 2,000 inhabitants a transfer cannot be entered except on registration day.

APPOINTMENT.—Mr. E. C. Marshall, of Fauquier, has been appointed to a clerkship in the Pension Bureau at Washington, with a salary of \$1200 per annum. An appointment could not have been bestowed upon a worthier man.

## County Conservative Convention

## HARMONIOUS ACTION.

J. M. STEWART AND C. E. STUART NOMINATED.

The County Conservative Convention to nominate two candidates for the House of Delegates met at Sarepta Hall at a quarter after one o'clock to-day, and was called to order by J. B. Smoot, Chairman of the County Committee, who stated for what the convention had assembled.

J. J. Jamieson nominated for Chairman Geo. R. Shinn, and Samuel Lunt nominated S. H. Janney.

Both gentlemen simultaneously withdrew in favor of each other, but Mr. Janney insisting, Mr. Shinn was chosen.

On motion of John T. Beckham, John J. Jamieson was elected Secretary.

The roll of the delegates was called by the Secretary, and the following responded: From the First Ward—Hugh Latham, W. W. Rock, O. Wood, and G. R. Shinn. Absent, J. L. Adams.

Second Ward—G. H. Robinson, S. H. Janney, J. P. Coleman, Geo. Washington, and Samuel Lunt.

Third Ward—J. T. Beckham, T. Reishall, C. F. Suttle, C. A. Yohe, and K. Kemper.

Fourth Ward—J. V. Johnson, J. J. Jamieson, and E. S. Leadbeater. J. D. Javins and J. W. Nalls were absent.

Jefferson Township was represented by J. R. Johnson.

Arlington Township was not represented. Washington Township was represented by H. W. Febray, J. R. Minor and Dr. T. B. J. Frye.

C. F. Suttle offered the following resolution, which was adopted:

Resolved, That each delegate to this Convention be entitled to cast his respective proportion of the conservative vote of the ward or township he represents, and that the basis of representation for each ward shall be the largest vote received by the conservative candidates for City Council in 1872, and for each township the same as the vote received by the last conservative delegate to the Legislature.

The following resolution, offered by J. M. Johnson, was then adopted:

Resolved, That the gentlemen who receive the majority of the whole number of votes cast shall be declared the nominees of this Convention.

Mr. Rock moved that a recess be taken for a quarter of an hour to see if any more delegates from the county would come in, but objection being made, withdrew the motion.

The Convention having determined to proceed to the nomination of candidates.

The Chair announced that the wards and townships were entitled to cast the following votes: 1st Ward, 317; 2d Ward, 247; 3d Ward, 556; 4th Ward, 234; Washington township, 57; Arlington township, 48; Jefferson township, 33.

Mr. Beckham spoke in nomination Capt. J. M. Stewart, and spoke of him as a gentleman eminently worthy of the position and well qualified.

W. W. Rock nominated Hugh Latham, of whom he spoke as a zealous and earnest worker in the cause of Conservatism, and a gentleman who would make a most useful member of the House of Delegates, having the interest of the community and the State at heart as much as any man in the State.

Mr. Minor nominated H. W. Febray, but that gentlemanman peremptorily declined.

Mr. F. has the confidence and esteem of all who know him, and much regret was expressed that he would not allow his name to go before the convention.

Mr. Lunt nominated Geo. A. Mushback.

Mr. Johnson seconded the nomination. He did not believe that votes could be drawn from the Radical party, especially the blacks, who were blinded by prejudice. He urged Mr. Mushback's claims on account of his not having heretofore actively engaged in politics and consequently possessed much "negative" popularity, not having made enemies as those who have been in political life must necessarily do. He spoke of Mr. M.'s qualifications as peculiarly adapted for the position, and hoped the Convention would nominate him.

Col. Suttle seconded the nomination of one at a time, which being agreed to, Mr. Lunt withdrew the name of Mr. Mushback.

Mr. Latham then took the floor and announced that while he had had aspirations for the position of Delegate, he had for some time determined to withdraw. When he first determined to go before the Convention he had kept it from all but a few intimate friends, for fear that organized opposition might be made.

Not being a candidate he could not be mustered out by the regulators, and they could not say sour grapes to him. He could have gotten as many votes from the Radical party as any other man, and he knew it. As it was he wanted all personal prejudice thrown aside and the good of the party alone kept in view. He had not sought the majority except for the salary, the office reflecting no honor upon him, and his only desire had been not to reflect discredit upon the office. He concluded by placing in nomination Col. C. E. Stuart.

Mr. Janney said he had had a conversation with Col. Stuart, and that that gentleman would accept a nomination if tendered him by the Convention.

The Convention then proceeded to the choice of delegates, and on motion of Mr. J. M. Johnson Capt. JAS. M. STEWART was declared the unanimous choice of the Convention by acclamation.

Mr. Latham moved to make the nomination of Col. Stuart by acclamation, but Mr. Johnson objecting, the motion was withdrawn.

Mr. J. M. Johnson, from the city, placed in nomination G. A. Mushback.

Mr. J. R. Johnson, from the county, nominated Col. M. D. B. J., and a ballot being taken resulted:

	Stewart.	Mushback.	Ball.

2d "	198	49	
3d "	556		
4th "	78	156	
Jeff. Township			33

Total, 1149 205 90.

On motion a committee of one from each Ward and Township was appointed to inform Capt. Stewart and Col. Stuart of their nomination and request their acceptance, and the chair thereupon appointed the following: 1st Ward, H. Latham; 2d Ward, S. H. Janney; 3d Ward, C. E. Suttle; 4th Ward, E. S. Leadbeater; Jefferson Township, J. R. Johnson; Washington Township, H. W. Febray; and Dr. Frye, was appointed to represent Arlington Township.

The Convention then adjourned.

The Evangelical Alliance.  
 NEW YORK, Oct. 11.—The seventh and last day of the general conference of Evangelical churches was an extremely busy one. Meetings having been held almost uninterruptedly from 10 a. m.

St. Paul's M. E. Church and the Fourth Avenue Presbyterian Church were crowded until half past one o'clock, when the speakers left to take part in the general meeting in Association Hall, commencing at 2 p. m.

In Association Hall, which was the principal point of attraction, as usual a session was held lasting from 10 a. m. to 1 p. m. An introductory prayer was pronounced by Bishop Lee, of Delaware.

Rev. Dr. Catell, President of Eton College, Pennsylvania, invited the delegates to be present at the dedication of the new hall on the 21st. The Yellow Fever.  
 NEW YORK, Oct. 11.—A special from Memphis says the situation there could hardly be worse. Business is almost totally suspended; thousands have fled, many shutting up their business houses and abandoning their dwellings. The disease has entered nearly every door in the infected district. Whole families have died and for a square on some streets there is not a house in which somebody is not sick or has fallen a victim. The money generously sent from all quarters is being judiciously used to aid the sick and destitute and bury the dead. It often happens that parents abandon their sick children and children their parents.

The Polar's Crew.  
 NEW YORK, Oct. 11.—There is said to be a good deal of ill feeling among the members of the Polar's party now at Washington against Captain Tyson and party. They seem to consider the reported poisoning of Captain Hall as charges specifically made by the Tyson party and are much disturbed by the idea Tyson admitted that the separation of the party on the ice floe was intentional. This feeling has sprung up since the Badington party learned of the statements made by the Tyson party. Although prominent men of the expedition before the separation were not in accord, the crew were uninfluenced by their divisions and did not champion any one.

From Kansas.  
 TOPEKA, Oct. 11.—A suit in garnishment was brought against the State Treasurer by the creditors of ex Senator Pomeroy to recover the historic \$7,000 which figured in the late Kansas Senatorial election. The racing to-day was witnessed with great interest. The horse that killed Long yesterday won the running race premium of one hundred dollars to-day. Best time, 1:57. Best time in trotting, 2:43. The society are much encouraged by the result of the Fair this year.
